

Cllr. Joe Harris Notice of Motion (1):

"That a light be put up outside Douglas Hall AFC pitch in Moneygourney. The entrance is very busy and it's pitch black at night."

Response from Madeleine Healy:

Will put forward for consideration for 2016 Public Lighting programme

Cllr. Joe Harris Notice of Motion (2):

"That a zebra crossing be put in place between Tesco and Douglas community park. Huge volume of pedestrians use this area to cross the road, also that the Bollard be replaced as a matter of urgency."

Response from Madeleine Healy:

Uncontrolled crossing in place already on top of table top ramp which slows traffic down approaching crossing point. Bollards will be replaced.

Cllr. Joe Harris Notice of Motion (3):

"That Galways lane be added to cleaning roster in Douglas".

Response from Madeleine Healy:

This will be done
