10<sup>th</sup> October, 2016

Ms Nicola Radley,  
Senior Executive Officer,  
Cork County Council,  
County Hall,  
Cork.

RE: **Davis College, Mallow. Temporary Accommodation.**

Dear Ms. Radley,

I refer to your letter dated 28<sup>th</sup> September, received in this Office on 5<sup>th</sup> October, 2016.

Cork ETB proposes installing 3 temporary single storey rented Classrooms and a Universal Access Toilet on the site to the Northwest of the existing School and behind the Gaelscoil. This development is exempt from the requirement for Planning Permission under S.I. No. 235 of 2008 Class 20B.

Applications for Fire Safety and Disability Access Certificates are with the relevant authorities for their consideration. A preliminary Health and Safety plan has been compiled by the appointed PSDP and will be passed on to the contractor's PSCS for implementation.

Temporary car spaces, ancillary to this accommodation have been constructed under an enabling works contract facilitating the construction of the extension to Davis College granted Planning Permission under Reg. Ref. 14/55005. They are constructed as an extension of the new parking area of this Permission and are finished in compacted hardcore only (no tarmac finish). They will be removed on completion of the extension and removal of the temporary rented Classrooms and universal toilet, and the grass area will be reinstated.

If I can be of further assistance please contact me.

Yours sincerely

Niall Kennefick  
Assistant Principal Officer
