

Lands at Castletreasure

As Members will recall the Council recently agreed to Lease a portion of the Recreation and Amenity lands at Castletreasure to Corinthians Soccer Club.

Since our last meeting Douglas Rugby Football Club has contacted the Council in relation to leasing the remainder of the land in question. They advised that they are in discussions with the residents of Greenvalley in relation to access. They have also been in contact with the Planning Department in relation to their proposals.

If their proposals are feasible then the Council will enter into negotiations with DRFC to enter into a sporting lease for the entire remainder of the lands.

This report is to update Members in relation to the proposal. In the event that a disposal is proposed the matter will be brought back before this Committee for consideration.
