

Lets Move With Cork SportsAbility - Programme Application

Introduction

Cork Sports Partnership in association with Cork County Council and Healthy Ireland are delighted to launch **Lets Move with Cork SportsAbility**. This initiative offers disability services, special schools & ASD units in County Cork the opportunity to apply for support to promote physical activity within their centre/school. A total of €20,000 has been awarded to Cork Sports Partnership (CSP) for the roll out of this programme.

Programme details

Lets Move with Cork SportsAbility gives disability services and special schools/ASD units the opportunity to run a 4-6 week physical activity programme for service users and students.

- Programmes can be based in house within centre/schools or in local community centre.
- Funding must be used for the following:
 - Equipment
 - Hall Hire
 - Instructor Hire (i.e dance, yoga etc)
- **Programmes must be completed and reported to Cork Sports Partnership by March 9th 2018**
- The maximum amount available per programme is €3,000
- Centres/schools can apply for more than one programme
- This is a competitive process and will be based on the strength of your application
- It is possible to just apply for equipment for your programme
